

# Local Government Reorganisation - A once in 50 year decision! **HAVE YOUR SAY!**

## **PUBLIC CONSULTATION ON THE FUTURE OF SOUTH EAST CAMBS**

East Cambs District Council and  
Cambridgeshire County Council are  
being abolished.

Parish councils in this area representing  
18,000 people have written to  
government with concerns.

**HEAR FROM YOUR COUNTY,  
DISTRICT AND PARISH  
COUNCILLORS ...and others  
involved in dealing with  
the government and  
share your views and  
concerns.**

New unitary authorities are on  
the way. The exact geography of  
these areas is being decided.

Three of the four options would  
see our area being joined up  
with Fenland & Peterborough!
